The Council RESOLVED to submit the following observations:

*Table 1 List of planning applications.*

Ref	Planning application number	Address and proposal
i	P19/V0164/FUL	(Small paddock off) Mallins Lane, Longcot, Oxon <i>Erection of barn with adjoining lean-to for storing hay, straw and agricultural machinery.</i> <b>No Objections</b> but wish the following comments to be taken into account. ii	P19/V0164/FUL amended details	(Small paddock off) Mallins Lane, Longcot, Oxon <i>Erection of barn with adjoining lean-to for storing hay, straw and agricultural machinery. (As per amended location plan received 5/2/2019).</i> <b>No Objections</b> but wish the following comments to be taken into account. Council has no objections but did request that the applicant supply a drainage map with the plans. No drainage map was submitted or available to view on the VWHDC website. Council would request that a copy is posted on the VWHDC.
iii	P18/V2996/FUL amended details	Eyrie, Mallins Lane, Longcot, Oxon SN7 7TE <i>Demolition of existing dwelling and replacement 2 x dwellings (As amended by plans received 4/2/2019 - changes include access details, drainage and siting of unit 2).</i> <b>No Objections</b> but wish the following comments to be taken into account. Council has no objections to the new plans. However, it is noted that one of the dwellings is a four bed property, although it says 3 bed in the application (a guest bedroom downstairs is still a bedroom?). Council said in the last application that there needed to be access and maintenance rights to the pond which is on the drainage plan for the surface water drain off, as its not actually on the planning application land. The planners need to ensure that the heights of the

**38/19 Update on other current matters.**

The Chairman informed the meeting that the rolling lease between Council and Faringdon Academy of Schools for the triangle of land belonging to Council that is included in the parking area of the school, had been signed by Council in July 2018 (minute 124/18) but not by the Academy. Hugh Ellins, Bevirs Law Solicitors, had advised that if the Academy did not respond to his email within 14 days that Council should consider terminating the lease. Council AGREED to act on terminating the lease if the Academy did not respond to Hugh Ellins within 14 days.
